to the Kolar Gold Fields Female dispensary. The proposition statement forwarded with Senior Surgeon's letter of 31.3.09 is on account of additional establ^t (involving an extra cost of Rs 24 per mensem) rendered necessary for the Female dispensary, Kolar Gold Fields, by the arrangement referred to. The additional establ^t consists of:-

1 Female Warder on Rs 7+2
1 Cook ——— Rs 9+1
1 Female Dhobi ——— 9+1
Total Rs 29 (per mensem)

2. The services of the existing ~~watchman~~ waterman on Rs 5 per mensem are proposed to be dispensed with. The net additional cost ~~involved~~ involved in the proposition Statement is only Rs 24 per mensem. As the close of the offl year is nearing, the establ may, if appd, be sanctioned from 1.7.09. No orders seem necessary on the reappl^n Statement, as the addl establ does not appear to have been entertained.

3. The proposition Statement & the minutes forwarded with Senior Surgeon's letter of 15.5.09 are with reference to para 2 of G.O no: 9851-3 med 204-08 of 8.4.09 and on account of the proposed new Maternity Hospl at Robertsonpet. The increased cost on account of the mistr comes to Rs 2345 per annum

15. The Senior Surgeon, in his letter No.G.569 dated 31st March 1909, recommended that in order to meet the requirements of the in-patients seeking relief in the Female Dispensary Kolar Gold Fields, the establishment of the dispensary consisting of 3 hands at a cost of Rs.26 a month may be raised to one of 5 hands costing Rs.50 a month, i.e. at a net increase of Rs.24 a month.

2. Subsequently on the issue of Government Proceedings No.9851-3/Med.204-08-2 dated 8th April 1909, directing that arrangements should if possible be made in connection with the Budget for the year 1909-10 for the purchase of a building for a Maternity Hospital at the Gold Fields, the Senior Surgeon has proposed that, in lieu of the establishment of the Female Dispensary (costing Rs.26 a month), an establishment costing Rs.154 a month may be sanctioned for the proposed Maternity Hospital in addition to grants for furniture, bedding &c.

3. It has however not been possible to make

9

budget provision for the opening of the proposed Maternity Hospital. The original proposal of the Senior Surgeon to strengthen the Female Dispensary establishment at a monthly cost of Rs.24, which is agreed to by both the Councillors, may therefore be sanctioned.

4. The average number of patients is indeed small as pointed out by the Second Councillor, but the aggregate establishment will consist of only one hand for each class of work.

To

SIR,

I have the honor to forward herewith letter No.G.569 dated 31st March 1909 and No. G. 701 dated 15th May 1909 from the Senior Surgeon forwarding his proposals in regard to the New Maternity - Hospital proposed to be opened in the Kolar Gold Fields at Robertson -pet. The proposition statement received with letter dated 31st March 1909 provided for increasing the existing establishment of the Kolar Gold Fields Female Dispensary from 3 hands to 5 at a net increase in expenditure of Rs.24/- per month or Rs.288/- per annum. The Reappropriation Statement sent along with the above Proposition Statement was intended to meet the additional cost likely to be involved on account of the increase in establishment for the last three months of the current year. But after the issue of Government Order No. 9851-3/Med.204-08-2 dated 8th April 1909, the Senior Surgeon has altered his proposals and submitted for the sanction of Government revised proposals which are shewn in the Proposition and other Statements received with his letter of the 15th May 1909. The

File to Branch II

The revised proposition is therefore regarded as superseding the original proposal on which no report is therefore furnished.

2. The financial effect of the revised proposals are shewn in the 3 statements attached to the Senior Surgeon's letter of the 15th May last and may be summarized as below:-

	Cost of new scheme.	Present cost.	Increase.
1. Pay of Establishment. 138 per mensem or	1656	252	1404
2. Local Allowance to -do- 16 per mensem or	192	60	132
3. Furniture etc. (Statement A.) ...	659¾	..	659¾
4. Bedding and clothing	305	..	305
5. Cooking charges	..	36	-36
6. Office expenses and miscellaneous	..	120	-120
Total. ...	2812¾	468	2344¾

How? Quarters are un-vacant

It will thus be seen that the proposals involve an increase of Rs.2,344¾ per annum in the expenditure if the existing provision of Rs.156/- on account of cooking charges and office expenses and miscellaneous is not included for the New Maternity. If this provision is to be retained, the increase in expenditure will amount to (2,344¾ + 156) 2500¾ per annum.

3. In the calculation shewn above, the salary and allowances due to the Lady Apothecary are not taken into account as they remain unaffected by the changes proposed. It is also to be noted that the Senior Surgeon has not stated how much of the proposed provision for Bedding and Clothing, and furniture is recurring expenditure and how much is on account of the initial cost.
